

# ES Combaind Qustion Bank BCA Sem 1

## Environmental Studies (B21ES01AC)

### Combined Previous Year Question Bank

#### About These Notes

**Prepared by:** Abdul Vahab A A

**Website:** <https://abdulvahabaa.in>

These notes were created for my personal study and revision. I am sharing them here because someone else might find them useful too.

**Wishing you all success** in your semester exams.

**Dua mein Yaad Rakhna.**

---

#### Priority Markers

*Use these symbols while revising to spot the most important and frequently asked questions.*

★ = Asked in multiple years (High Priority)

🔥 = Very important topic (appears in different forms)

#### Sources:

- August 2023
  - May 2024
  - April 2025
- 

## SECTION A

## Answer any ten questions in a word or sentence each. Each question carries 1 mark.

1. Name the gaseous layer that surround the earth. *(August 2023)*
2. Define biosphere. *(August 2023)*
3. Based on the availability what are the two types of natural resources. *(August 2023)*
4. Fresh water that located in the subsurface pore space of soil and rocks is known as. *(August 2023)*
5. Expand CRZ. *(August 2023, May 2024)* ★
6. Explain food web. *(August 2023)*
7. Name any two national parks in Kerala. *(August 2023)*
8. What is Occupational disease? *(August 2023)* 🔥
9. Name two major issues associated with population growth. *(August 2023)*
10. The concept of sustainable development was proposed by? *(August 2023)* 🔥
11. The term Anthropocentrism refers to? *(August 2023)* 🔥
12. Propose two important methods for the disposal of solid waste. *(August 2023)* 🔥
13. Define global warming. *(August 2023)* 🔥
14. Write down the Salient Features of Wildlife Protection Act. *(August 2023)*
15. Define Earthquakes. *(August 2023)*
16. Which type of forest is dense and has a rainfall more than 3000 mm per year? *(May 2024)*
17. Name the system that comprise living organisms, their physical environment and all their inter relationship. *(May 2024)*
18. What percentage of water is distributed in ocean and seas? *(May 2024)*
19. Which type of ecosystem is featured with low rainfall, generally less than 25 centimetres per year? *(May 2024)*
20. Give an example for methods of In-situ conservation of animals. *(May 2024)*

21. Name the graphical representation which shows relationship between different living organisms at different trophic levels in an ecosystem. *(May 2024)*
22. Name two biodiversity hotspots in India. *(May 2024)*
23. Name the environmental movement which began in 1973 in parts of Uttar Pradesh. *(May 2024)*
24. Which is the vector that transmits Malaria? *(May 2024)*
25. Expand CITES. *(May 2024)*
26. Name the method of cultivating crops on the same ground to increase soil fertility. *(May 2024)*
27. Which atmospheric layer has more concentration of Ozone? *(May 2024)*
28. Mention the year in which the Air Prevention and Control of Pollution Act passed by the parliament of India. *(May 2024)*
29. Name the category of species which are vulnerable to extinction in the near future. *(May 2024)*
30. What is another name for water cycle? *(April 2025)*
31. Name one non-renewable source of energy? *(April 2025)*
32. What are the major types of ecosystems? *(April 2025)*
33. Who coined the term ecology? *(April 2025)*
34. What is the most abundant element on the earth's crust? *(April 2025)*
35. What are flagship species? *(April 2025, May 2024)* ★
36. What is a biosphere reserve? *(April 2025)*
37. Name the state in which Chilka Lake bird sanctuary is located. *(April 2025)*
38. Name two Vector borne diseases. *(April 2025, May 2024)* ★
39. Who is the leader of Narmada Bachao Andolan? *(April 2025, May 2024)* ★
40. What are Sustainable Development Goals? *(April 2025, August 2023)* ★🔥
41. Define environmental ethics. *(April 2025, August 2023)* ★🔥
42. Which gases are the main contributors of acid rain? *(April 2025)*
43. How many stages are there in EIA? What are they? *(April 2025, August 2023, May 2024)* ★🔥

44. What is a storm surge? *(April 2025)*

---

## SECTION B

**Answer any five questions in one or two sentences each. Each question carries 2 marks.**

1. Define the term Sanctuary. *(August 2023)*
2. Explain deforestation. *(August 2023)*
3. Why do landslides happen? *(August 2023)*
4. Define the term green economy. *(August 2023)*
5. What is Sustainable development? / Define sustainable development. *(August 2023, May 2024)* ★🔥
6. Explain any four effects of ozone layer depletion. *(August 2023)*
7. Explain Environmental ethics. *(August 2023)*
8. Write a very short note on Swachh Bharat Abhiyan. *(August 2023)* 🔥
9. What are the causes of desertification? *(August 2023)*
10. What is soil erosion? *(August 2023)*
11. What is troposphere? *(May 2024)*
12. What is meant by agroforestry? *(May 2024)*
13. Define flagship species. *(May 2024)*
14. Define biodiversity. *(May 2024)*
15. What is meant by occupational disease? Give example. *(May 2024)* 🔥
16. What are the objectives of Swachh Bharat Abhiyan? *(May 2024)* 🔥
17. Define anthropocentrism. *(May 2024)* 🔥
18. What are microplastics? *(May 2024)*
19. What is Environmental Impact Assessment? What is its aim? *(May 2024)* 🔥
20. What are the environmental segments, controlling life and environmental processes? *(April 2025)*

21. Give an account of renewable resources with suitable examples. *(April 2025)*
  22. What are the methods to control soil erosion? *(April 2025, August 2023)* ★
  23. What is water scarcity and what are its main causes? *(April 2025)*
  24. What do you mean by biotic components of an ecosystem? Give examples. *(April 2025, May 2024)* ★
  25. What are the different types of terrestrial ecosystem? *(April 2025)*
  26. Write short note on Sundalands. *(April 2025)*
  27. Differentiate Weather and Climate. *(April 2025, August 2023, May 2024)* ★🔥
  28. What do you mean by green movement? Name any one green movement in India. *(April 2025, May 2024)* ★
  29. Give an account of population explosion. *(April 2025, August 2023, May 2024)* ★🔥
  30. What is the scope of environmental ethics? *(April 2025, August 2023)* ★🔥
  31. Define solid waste management. *(April 2025, August 2023)* ★🔥
  32. List out the major greenhouse gases. *(April 2025, August 2023)* ★🔥
  33. What is meant by Carbon foot print? *(April 2025, August 2023)* ★
  34. What are the major implications of global warming? *(April 2025, August 2023)* ★🔥
- 

## SECTION C

**Answer any six questions in one page each. Each question carries 5 marks.**

1. Write a short note on causes of water pollution. *(August 2023)*
2. Explain the different layers of the atmosphere. *(August 2023)*
3. Differentiate renewable and nonrenewable energy resources. *(August 2023)*

4. Discuss sustainable food system. (August 2023) 🔥
5. Explain 3Rs in waste management. (August 2023) 🔥
6. What are the causes and consequences of climate change? (August 2023) 🔥
7. What are the different ways of Carbon sequestration? (August 2023)
8. Write a short note on Importance of EIA. (August 2023) 🔥
9. Comment on Air Act. (August 2023)
10. Briefly explain hydrological cycle. (August 2023)
11. Differentiate weather and climate. / Write the differences between weather and climate. (August 2023, May 2024) ★🔥
12. Write a note on types of ecological pyramid. (August 2023)
13. Explain different methods for the conservation of natural resources. (May 2024)
14. What is biogas? Comment on the production of energy from biogas. (May 2024)
15. Describe the features of grassland ecosystem. (May 2024)
16. What are the different abiotic components of an ecosystem? Give examples. (May 2024)
17. Briefly describe the concept of food chain. (May 2024)
18. Write a short note on Narmada Bachao Andolan. (May 2024)
19. What is Eco-club? Comment on its activities. (May 2024)
20. Give an account on vector borne diseases. (May 2024)
21. Explain the concept of Zero Waste. (May 2024) 🔥
22. Briefly describe different management options to tackle climate change. (May 2024) 🔥
23. Explain the different causes of flood. (May 2024)
24. Comment on the threats faced by natural resources. (April 2025)
25. Describe the major threats to water resources. (April 2025, August 2023) ★
26. Describe aquatic ecosystems. (April 2025)

27. What are the criteria of hotspots? *(April 2025, May 2024)* ★
  28. What are environmental diseases? Give examples. *(April 2025)*
  29. What is the relation between population growth and degradation of environment? *(April 2025, August 2023, May 2024)* ★🔥
  30. Give an account of environmental equity and justice. *(April 2025)*
  31. Write a note on Haritha Keralam Mission. *(April 2025)*
  32. Differentiate food chain and food web. *(April 2025, August 2023, May 2024)* ★🔥
  33. What are occupational diseases? Give examples. *(April 2025, August 2023, May 2024)* ★🔥
- 

## SECTION D

**Answer any two questions in three pages each. Each question carries 10 marks.**

1. Discuss briefly the different solid waste management strategies. *(August 2023)* 🔥
2. Write an essay on Sustainable Development Goals. *(August 2023, April 2025)* ★🔥
3. Explain global warming and climate change and propose suitable mitigation measures against climate change. *(August 2023)* 🔥
4. Write an essay on occupational health hazards with examples. *(August 2023)* 🔥
5. What is meant by ex-situ conservation? Describe various strategies of ex-situ conservation of plants and animals. *(May 2024)*
6. Write an essay on various fatal effects of over population. *(May 2024, April 2025)* ★🔥
7. Describe the values of biodiversity. *(May 2024)*
8. Write an essay on major impacts of climate change on crops, livestock and fisheries. *(May 2024)* 🔥

9. Explain the types and classification of forest in India. (April 2025, May 2024) ★
10. Write an essay on biodiversity conservation strategies. (April 2025, May 2024) ★🔥
11. Write an essay on various environmental conservation activities. (April 2025)
12. Write an essay on environmental economics. (April 2025, August 2023) ★

## Important & Repeatedly Asked Topics

| Topic                                                                                                                      | Asked In                     | Sections   | Priority |
|----------------------------------------------------------------------------------------------------------------------------|------------------------------|------------|----------|
| <b>Sustainable Development</b> (definition, SDGs, sustainable food system)                                                 | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Climate Change &amp; Global Warming</b> (causes, consequences, mitigation, impacts, greenhouse gases, carbon footprint) | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Solid Waste Management</b> (3Rs, disposal methods, Zero Waste, strategies, definition)                                  | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Swachh Bharat Abhiyan</b> (note, objectives, waste cleanliness)                                                         | Aug 2023, May 2024           | B, C       | 🔥        |
| <b>Occupational Health &amp; Disease</b> (occupational disease, health hazards, environmental diseases)                    | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Environmental Impact Assessment (EIA)</b> (importance, aim, definition, stages)                                         | Aug 2023, May 2024, Apr 2025 | A, B, C    | ★🔥       |
| <b>Weather vs Climate</b>                                                                                                  | Aug 2023, May 2024, Apr 2025 | B, C       | ★🔥       |
| <b>Anthropocentrism &amp; Environmental Ethics</b> (scope, definition)                                                     | Aug 2023, May 2024, Apr 2025 | A, B       | ★🔥       |

| Topic                                                                                                                 | Asked In                     | Sections   | Priority |
|-----------------------------------------------------------------------------------------------------------------------|------------------------------|------------|----------|
| <b>Ecosystem</b> (food chain, food web, ecological pyramid, biotic/abiotic components, terrestrial/aquatic types)     | Aug 2023, May 2024, Apr 2025 | A, B, C    | ★🔥       |
| <b>Biodiversity &amp; Conservation</b> (in-situ, ex-situ, hotspots, flagship species, values, Sundalands, strategies) | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Pollution</b> (water pollution, Air Act, ozone depletion, microplastics, acid rain)                                | Aug 2023, May 2024, Apr 2025 | A, B, C    | 🔥        |
| <b>Natural Resources</b> (renewable vs non-renewable, conservation methods, biogas, threats)                          | Aug 2023, May 2024, Apr 2025 | A, B, C    | ★🔥       |
| <b>Atmosphere</b> (layers, troposphere, ozone layer, hydrological cycle, water cycle)                                 | Aug 2023, May 2024, Apr 2025 | A, B, C    | ★        |
| <b>Environmental Movements</b> (Chipko, Narmada Bachao Andolan, green movement)                                       | May 2024, Apr 2025           | A, B, C    | ★🔥       |
| <b>Vector Borne Diseases</b> (Malaria vector, disease account)                                                        | May 2024, Apr 2025           | A, C       | ★🔥       |
| <b>Population &amp; Its Effects</b> (growth issues, overpopulation essay, population explosion)                       | Aug 2023, May 2024, Apr 2025 | A, B, C, D | ★🔥       |
| <b>Wildlife Protection Act / CITES / CRZ</b> (acts, abbreviations, salient features, sanctuaries)                     | Aug 2023, May 2024, Apr 2025 | A          | ★        |
| <b>Natural Disasters</b> (earthquakes, landslides, floods, storm surge)                                               | Aug 2023, May 2024, Apr 2025 | A, C       | ★        |
| <b>Eco-club &amp; Green Economy</b> (Haritha Keralam Mission)                                                         | Aug 2023, May 2024, Apr 2025 | B, C       | ★        |
| <b>Carbon Sequestration &amp; Climate Management</b>                                                                  | Aug 2023, May 2024           | C          | 🔥        |
| <b>Forests in India</b> (types, classification, dense forest)                                                         | May 2024, Apr 2025           | A, D       | ★🔥       |

| Topic                                                                              | Asked In                     | Sections | Priority |
|------------------------------------------------------------------------------------|------------------------------|----------|----------|
| rainfall)                                                                          |                              |          |          |
| <b>Environmental Economics &amp; Equity</b> (green economy, environmental justice) | Aug 2023, Apr 2025           | B, C, D  | ★        |
| <b>Soil Erosion &amp; Desertification</b> (causes, control methods)                | Aug 2023, Apr 2025           | B        | ★        |
